New Cashless System is Here!

Duncraig Senior High School P&C is always seeking to make your interactions with the school more convenient and secure and that's why we have engaged FlexiSchools (Australia's leading school payment system) to provide a new cashless way to pay for school services.

This system allows parents/students/staff to place **Online Orders for Canteen** from home, work or school at any time via the internet, including via smart phones and other devices.

PARENTS

A convenient way to stay in control of school lunches.

- Safer and more convenient
- Removes the need for cash at school
- Monitor purchases online
- Ensure money is spent at school
- Reduced bullying
- FREE registration
- Backed by a 1300 support desk

*Students can also use their **Smarrider Card** to purchase food over the canteen counter.*

Parents/students/staff can order from the canteen online up until **9:00am** each morning. The payment is also done online, so **you no longer need to send cash or a paper order to school**. As well as being convenient for parents, the online orders are more accurate and much faster for the canteen to operate.

SMARTRIDER CARD PAYMENTS

Students can now use their Smarrider Card to purchase food at the canteen. Parents set up a FlexiSchools account online and pre-load their account with funds. **Students can make purchases at the canteen by swiping their card at the cash register.** Parents can view their students' purchases online and can set a daily spending limit on the student's card.
